Too Ambitious

Team Member	Category	TSR 1 16-Oct-14
Alessandra (PO)	Like	"Worked on release plan, game idea" "Great work catching me up to speed when I joined the group late" "Prepares a lot of information for the group" "Good ideas; Ready to plan; Great sense of responsibility"
	Improve	"Vocalization (she has a very soft/quiet voice)"
Eric	Like	"Recently joined" "Gives good suggestions"
	Improve	
Joanne	Like	"Helped with release plan" "On time; Provides good input to team; Ready to learn new things" "She provides good details for the game"
	Improve	"Speak up more" "Must be reminded of project/class deadlines"
Omer	Like	"Game concept, technical work" "Good foresight in booking a room at the library well in advance for the next meeting" "Very strong leadership skills" "Good attitude; Sharp technical skills; Works well in a team; Concerned about meeting environment and actively pursues meeting space reservations" "He acts like a leader"
	Improve	"Can be a bit distracted sometimes; Somewhat reluctant to meet often"
Peter	Like	"Github, technical work, resources" "Good job in setting up the github in a timely fashion" "Helps the group set up the GitHub " "He booked the room and added the teammates to the github"
	Improve	
Wei	Like	"Helped with release plan" "Asks very good questions" "Excited about project; Worked with agility to flesh out the project design" "She is really diligent and creative"
	Improve	"Speak up more" "Can be overlooked sometimes (shy perhaps)"

PO = Product Owner

SM = Scrum Master (No one turned in TSR for Scrum Master)
